Beneficiary Guide

General Guidelines

Effective Date

A beneficiary designation is effective upon receipt by Minnesota State Retirement System. This designation supersedes all prior designations.

A beneficiary must be a natural person or qualified trust.

You may designate more than one person or entity. You may attach an additional sheet of paper if there is not enough space to list your designated primary or contingent beneficiaries.

Beneficiary(ies) share equally if percentages are not provided.

Death of Primary Beneficiary(ies)

In the event the primary beneficiary(ies) predeceases you, death benefits will pass to the contingent beneficiary(ies). If no beneficiary(ies) survives you, the benefit shall be payable to your surviving spouse or, if none, to your estate.

Failure to Designate Beneficiary(ies)

If you do not designate a beneficiary(ies), the assets are paid to a surviving spouse, or if none, to your estate.

For more information regarding beneficiary designations, please refer to *A Guide to Beneficiary Designations*.

Minor Beneficiary(ies)

In the event of your death, distribution to a minor beneficiary(ies) requires the following before the distribution can occur:

Guardian

A copy of the court documents showing the name, address and telephone number of minor's court appointed guardian, **OR**

Custodian

A copy of the trust or other documents showing power of appointment under the Uniform Gifts to Minors Act (UGMA) or Uniform Trust to Minors Act (UTMA), whichever is in effect for your state.

Divorce

In the event of dissolution of marriage, your MNDCP beneficiary designation naming your former spouse becomes void unless the divorce decree provides otherwise. You may re-designate your former spouse after the divorce if you wish.

Per Capita vs Per Stirpes Designation

When more than one beneficiary is designated and no percentage is specified, payment to each surviving beneficiary will automatically be made in equal shares, or 100 percent to the last surviving beneficiary. This is a **per capita** designation.

If you wish to have each beneficiaries' share paid to their respective families rather than reverting to other beneficiaries or your estate, you must indicate to pay "**per stirpes**" after each name on this form.

Naming a Trust or Estate

To name a Trust as beneficiary you must provide:

- Name of trust and date trust was established, and
- A copy of the trust document

Sample wording for trust designation

(Trustee name) as Trustee of the (name of trust) established (date of trust)

To name your Estate as beneficiary you must enter the following in the name field:

"Estate" or "Representative of my Estate"
